Subject: Annual Review on the working in the departments of Public Works, Water Resources, Public Health Engineering and Narmada Valley Development Authority (N.V.D.A.) Divisions of Madhya Pradesh for the year, 2008-2009.

Sir,

I am to forward herewith the Annual Review on the working of Works Divisions relating to the Department of Public Works, Water Resources, Public Health Engineering and Narmada Valley Development Authority (N.V.D.A.) for the year, 2008-2009.

The review intends to bring to the attention of the Government and authorities concerned the shortcomings, arrears, delay in submission and maintenance of initial accounts noticed during the course of Central check/audit and local inspections of the Divisions. It has been very encouraging to see that reconciliation process has shown remarkable progress of nearly 100%. However, it has been observed that many of the defects and irregularities pointed out in the earlier reviews still continue to persist.

You are, therefore, requested to issue suitable directions to the departmental authorities to take immediate remedial measures in order to set right the omissions/irregularities pointed out and avoid reoccurrence of the same in the future in order to bring an overall improvement in the maintenance of initial accounts of Works Divisions.

I am to request that the receipt of this letter may kindly be acknowledged.

Encl: As above.

Yours faithfully,

**ANNUAL REVIEW**  
**ON THE WORKING OF DIVISIONS OF**  
**DEPARTMENTS OF PUBLIC WORKS/WATER RESOURCES/PUBLIC**  
**HEALTH ENGINEERING/N.V.D.A. FOR THE YEAR**  
**2008-2009**

**Introductory:-**

We have reviewed the maintenance of accounts in 371 Divisions of the four departments viz. Public Works, Water Resources, Public Health Engineering and Narmada Valley Development Authority (N.V.D.A.) during 2008-2009. The result of the review is indicated below. The objective of the review is to highlight the deficiencies in maintenance of initial accounts and subsequent compliance. The review covers a total of 371 Divisions. The department-wise break-up of divisions are as follows:

Public Works Department	89 divisions
Water Resources Department	138 divisions
Public Health Engineering Department	67 divisions
N.V.D.A.	77 divisions
<b>Total</b>	<b>371 divisions</b>

This review has been prepared in two parts:

**Part 1-(ACCOUNTS)** This contains the deficiencies/irregularities noticed during the course of preliminary checking and compilation of monthly accounts received from the Works Divisions in Bhopal Branch Office of the Accountant General (A&E)-I, M.P., Gwalior.

**Part-II-(AUDIT)** This contains the financial irregularities and defects in maintenance of initial accounts noticed during the course of central audit and local audits carried out by field parties of the Office of the Accountant General (Works & Revenue Audit), M.P. Bhopal.

**PART-I (ACCOUNTS)**

**Para-I**            **Delay in submission of Monthly Accounts.**

Under the provisions of **Para 22.4.15** of **C.P.W.A. code**, monthly accounts should reach in the Office of the Accountant General (A&E)-I, M.P., Bhopal by the 10<sup>th</sup> of the following month. In the case of accounts for the month of March, 3 days' extension has been allowed. The accounts should be supported, inter-alia, with schedule of revenue realised, refunds of revenue, receipts and recoveries on capital account, in **Form 46 A**, Classified Abstract of Expenditure in **Form-74**, Schedules of Works Expenditure, **Form 64**, and other relevant schedules, forms and vouchers.

During the year, a large number of works divisions did not adhere to the prescribed due date of submission of monthly compiled accounts. The delay in receipt of the account and percentage of delay has been shown in Statement No.1. Accordingly **76%** monthly account were received between 10<sup>th</sup> to 15<sup>th</sup> of the month, **18%** monthly account were received between

16<sup>th</sup> to 20<sup>th</sup> , **04%** monthly account were received between 21<sup>st</sup> to 25<sup>th</sup> and **02%** monthly account were received between after 26<sup>th</sup> of the month. (Statement-V)

The delays are because of two reasons they are:-

1. Delay in receipt of monthly accounts
2. Schedules not received with monthly accounts from divisions. (Statement-I)

**Para-2**            **Delay in settlement of remittance transactions and submission of Form 51 (Schedule of settlement with treasuries)**

Para 22.3.1 of C.P.W.A. Code provides that soon after the expiry of the month, a monthly settlement should be effected with all treasuries in respect of the transactions of the entire division with them. Para 22.3.2. provides that for payments into treasuries, consolidated receipts should be prepared in **Form 50** for the whole of remittances made to each treasury, which should be sent to the Treasury Officers for signature. Further, para 22.3.3. of the Code provides that for cheques drawn, the pass books, duly completed for the month, should be obtained from the Treasury Officer with certificates of issues from the treasuries and their agreement with the cash book of the division should be effected in Part II of **Form 51**-Schedule of Monthly Settlement with Treasuries, which also gives details of the differences. The certificate of agreement should be recorded in the passbook over the signature of the Divisional Officer without recording any details of the uncashed cheques or other differences.

In a significant number of Divisional Accounts, Form 51 of the previous months was not received along with monthly accounts. Further, most of the divisions did not enclose the **Consolidated Treasury Receipt (C.T.R.)** issued by the Treasury Officer with the accounts. As a result, prescribed checks could not be exercised in the Office of the Accountant General. Non-adherence of codal provisions for settlement of accounts with treasuries and non-transmission of Form 51 with **C.T.R.s** and **Cheques Issued Certificates (C.I.C.)** by the divisions prevents detection of cases, wherever occurring, of frauds/embezzlements and loss of receipt to Government. **Total number of Form 51 outstanding under PWD/Water Resources/PHED/NVDA is 7534 for different years.** (Statement-IV)

**Para-3**            **Amounts outstanding under III-O.R (b) Items Adjustable by Public Works Department (for Miscellaneous Remittances).**

The balance outstanding under Major Head 8782-102-03 ORB at the end of 31.03.2008 is Rs 321 crores out of this very little amount to the tune of Rs.2 crores has been cleared during 2008-2009 (Statement-III) a huge balance of Rs. 319 crores is still outstanding under this head at the end of 31.3.2009 which needs to be cleared at warfooting.

**Para-4**            **Arrears in reconciliation**

In order to ensure accuracy and reasonability of Accounts, it is essential for the division to reconcile figures of monthly accounts with the figures booked in the books of this office. As a result of repeated requests made to concerned departments, the position of reconciliation has shown remarkable progress which is as under:-

- Out of 89 P.W.D. Divisions, all Divisions have completed reconciliation. i.e. **100%**.
- Out of 67 P.H.E.D Divisions, all Divisions have completed reconciliation. i.e. **100%**.
- Out of 77 N.V.D.A. divisions, all Divisions have completed reconciliation. i.e. **100%**.

And out of 138 W.R.D. Divisions, 134 divisions have completed reconciliation i.e. **97%**. (Only 04 Divisions did not complete). (Statement-II)

**Para-5**        **Defects in the preparation of Monthly Accounts.**

The Divisional officers are required to render monthly accounts, complete and correct in all respects, to the Accountant General for incorporation in the State Government's Accounts. However, the accounts received from the Divisional offices in Madhya Pradesh contained a number of deficiencies which are as follows:

- (1) Codification in **Form-80** and **Form-74** should be according to instructions issued by this office, from time to time. In **Form-80** under each Major Head of each Grant computerised code number should be shown. Besides this, in **Form-74**, classification as per computerised code No. should be quoted along with Grant No. Plan/Non Plan/Major Head/Sub. Major Head/Minor Head/Detail Head/Sub. Detail Head as per list of Major Minor Heads of Accounts and Budget estimates.
- (2) Debits/credits relating to G.P.F/D.P.F./C.P.F. of subscribers were incorrectly shown in **Form-80**. Divisional Officers also did not submit G.P.F. debits/credits schedules systematically.
- (3) The totals of receipts and expenditure columns in **Form-80** of the Monthly Accounts were not tallied. This resulted in un-avoidable correspondence with the divisions and consequent delay in preparation of Monthly Accounts.
- (4) Minus figures of expenditure/receipts were shown in **Form-80** of the monthly accounts, without providing any explanations thereof.
- (5) In several cases, arithmetical computation of figures in the various Forms appended with the Monthly Accounts were not checked properly and as a result the totals differed, thereby affecting the progress of preparation of Monthly Accounts.
- (6) In the schedules of Works expenditure (**Form-64**), the budget allocation of the current year and the amount of sanctioned estimates were not mentioned. This indicated that Divisions did not exercise control over their expenditure vis-à-vis the budget provisions.
- (7) In several cases, **Form 61**-Schedule Docket is not being enclosed with the accounts leading to large scale correspondence and delay .
- (8) In some cases Closing Balance of last month were not shown as Opening Balance in current month, which creates problems at the time of posting of Monthly Accounts. In any case closing balance of last month should not be tempered with and it should invariably be shown as opening balance.
- (9) While preparing accounts, the Divisions did not pay adequate attention to budget allocations. There were mistakes in classifying the receipts/expenditure of the Union of India and the State Government.
- (10) The classifications (shown in **Form-74**) of the accounts by various Works Divisions were incomplete and incorrect. The classification of expenditure should give the Grant Number, Major Head, Sub-Major Head, Minor Head and detailed head of accounts as shown in the budget passed by the Legislature. In many cases, primary unit of appropriation was not indicated.

- (11) In some cases, vouchers are not received in this office along with Monthly account, which leads to delay and large scale correspondence with the Divisions.

Total	40	6640.70

**(C) Omissions/shortcomings noticed in the maintenance of account records by the Public Works Divisions**

**1. Non-adjustment of AG's adjustment of memos.**

The payments to suppliers for procurement of stores on D.G.S&D rates contract are made by the Pay & Accounts Officer, Department of Supply, Government of India, and debits are passed on to the respective indenting officers through the Accountant General. These debits are required to be adjusted immediately in the divisional accounts. This system has since been dispensed with and no transactions are booked in PAO (Supply). During a test-check of **265** divisions, it was observed that timely adjustment of AG's adjustment memos was not carried out by the divisions prior to change in system, resulting in heavy accumulation of **7678** items of unadjusted amount aggregating to **Rs.6010.451 lakhs** as on 31.3.2009 on the previous system for which Audit commented. Details are shown below:-

	<b>Division</b>	<b>No. of Division</b>		<b>A.G.Adj. Memo</b>	
				<b>Items</b>	<b>Amount</b>
	PHED	61	1303	983.710	
PWD		71	2819	4192.901	
	WRD/NVDA	133	3556	833.840	
	<b>Total</b>	<b>265</b>	<b>7678</b>	<b>6010.451</b>	

**2. Irregular operation of Cash Settlement Suspense Account.(C.S.S.A.)**

The Government of M.P., Finance Department has dispensed with the credit system and introduced the cash and carry system from May 1984 to avoid delay in settlement of Cash Settlement Suspense Account (C.S.S.A.) According to this system, the cost of material supplied by one division to another division was to be recovered in advance. But it was noticed

during local audit that disregarding the above provisions, large number of divisions supplied store materials to other divisions without realising the value of goods supplied.

During test-check of accounts, records of divisions originating items **4882** nos. and responding items **3233** nos. involving **Rs.7322.604 lakh** and **Rs.4739.15 lakh** respectively as detailed were found outstanding under this suspense head. No concrete efforts have been made by these units for their adjustment. Details are shown below:-

Division	CSSA Originating		CSSA Responding	
	Items	Amount	Items	Amount
PHED	696	1794.920	459	550.61
PWD	1336	926.715	782	311.89
				<b>Annexure II</b>
WRD/NVDA	2850	4600.969	1992	3876.65
<b>Total</b>	<b>4882</b>	<b>7322.604</b>	<b>3233</b>	<b>4739.15</b>

### 3. Non-adjustment of Misc. Public Works Advances

The balances under the suspense head **M.P.W.A.D.** represent the expenditure incurred on deposit works in excess of deposits, loss of cash and stores, advances and dues awaiting recovery from Government servants, contractors, etc. Items under this head are to be cleared either by actual recovery or by transfer to some other heads of accounts under proper sanction or authority. Non-adjustment or non-recovery of these balances over a long period results in unnecessary accumulation under the suspense head and dues becoming irrecoverable. Test-check of 265 divisions reveals that the outstanding balances were of **Rs.271880.17 lakhs** for **30929** items at the end of **2008-2009**. Details are shown below:-

Division	PW Adv.	
	Items	Amount
PHED	9068	10325.3
PWD	9548	10186.95
		<b>Annexure III</b>
WRD/NVDA	12313	6675.927
<b>Total</b>	<b>30929</b>	<b>27188.177</b>

### 4. Non- submission of Form- 51 and non-reconciliation of differences in departmental and Treasury figures of drawals and remittances.

There was persistent delay in submission of **Form-51** schedule of monthly settlement with treasuries. During test-check of **265** divisions, it was noticed that in most of the cases **Form-51** was not prepared and sent to this office up to **March-2009**.

Details are shown below:-

Division	Form 51	
	Remittances	Cheques
PHED	+7331.88 -103.70	+3775.25 -454.71
PWD	+7670.106 -634.65	+7936.30 -149.10
WRD/NVDA	+15188.07 -306.49	+6973.73 -201.18
		<b>Annexure IV</b>

<b>Total</b>	<b>+30190.056</b>	<b>+18685.28</b>
	<b>-1044.84</b>	<b>-804.99</b>

As a rule, there should be no difference in Treasury and Divisional Accounts figures and if it occurs, it should be set right immediately by correspondence with the treasury concerned. It was however, observed that no substantial action was taken by the Divisions in this regard. As a result, the differences persisted between Divisional Accounts figures and Treasury Accounts figures as per details shown above.

Divisional Officers should take immediate action to reconcile the figures and to settle the differences with the concerned treasuries.

**5. Maintenance of contractor's ledger**

The contractor's ledger is to be posted and balanced up to-date to ascertain the liabilities of contractors. However the ledgers were not being posted and balanced up to date by most of the Divisions. Only 196 divisions had posted the Contractor's Ledger during **2008-2009**.

Details are shown below:-

<b>Division</b>	<b>Contractor Ledger</b>
PHED	41
<b>PWD</b>	<b>50</b>
	<b>Annexure V</b>
WRD/NVDA	105
<b>Total</b>	<b>196</b>

**6. Priced stores Ledger(Form-12)**

The Priced Stores ledger is required to be maintained in **Form-12** in accounts branch of the divisions as per provisions of **Para 7.2.31** of **C.P.W.A. Code**. Test-check of maintenance of **Form-12** in **265** divisions reveals that out of 425 divisions only 140 divisions completed the **Form-12** up to March 2009.

Details are shown below:-
