**ON THE WORKING OF DIVISIONS OF**  
**DEPARTMENTS OF PUBLIC WORKS/WATER RESOURCES/PUBLIC**  
**HEALTH ENGINEERING/N.V.D.A. FOR THE YEAR**  
**2009-2010**

**Introductory:-**

As per the provisions laid down in M.S.O.(A&E) Vol.-1. we have reviewed the maintenance of accounts in 373 Divisions of the four department viz. Public Works, Water Resources, Public Health Engineering and Narmada Valley Development Authority (N.V.D.A.) during 2009-2010. The result of the review is indicated below. The objective of the review is to highlight the deficiencies in maintenance of initial accounts and subsequent compliance. The review covers a total of 373 Divisions. The department-wise break-up of divisions are as follows:

Public Works Department	87 divisions
Water Resources Department	139 divisions
Public Health Engineering Department	71 divisions
N.V.D.A.	76 divisions
<b>Total</b>	<b>373 divisions</b>

This review has been prepared in two parts:

**Part 1-(ACCOUNTS WING)-** This contains the deficiencies/irregularities noticed during the course of preliminary checking and compilation of monthly accounts received from the Works Divisions in Bhopal Branch Office of the Accountant General (A&E)-I, M.P., Gwalior.

**Part-II-(AUDIT WING)-** This contains the financial irregularities and defects in maintenance of initial accounts noticed during the course of central audit and local audits carried out by field parties of the Office of the Accountant General (Works & Revenue Audit), M.P. Bhopal.

**PART-I (ACCOUNTS WING)**

**Para-I**      **Delay in submission of Monthly Accounts. (Statement-I)**

Under the provisions of **Para 22.4.15** of **C.P.W.A. code**, monthly accounts should reach in the Office of the Accountant General (A&E)-I, M.P., Bhopal by the 10<sup>th</sup> of the following month. In the case of accounts for the month of March, 3 days' extension has been allowed. The accounts should be supported, inter-alia, with schedule of revenue realised, refunds of revenue, receipts and recoveries on capital account, in **Form 46 A**, Classified Abstract of Expenditure in **Form-74**, Schedules of Works Expenditure, **Form 64**, and other relevant schedules, forms and vouchers.

During the year, a large number of works divisions did not adhere to the prescribed due date of submission of monthly compiled accounts. The delay in receipt of the account and percentage of delay has been shown in (**Statement No.1**).

These delays were because of two reasons:-

1. Delay in receipt of monthly accounts. (Statement-I)
2. Schedules not received with monthly accounts from divisions. (Statement –II)

**Para-2**            **Delay in settlement of remittance transactions and submission of Form 51 (Schedule of settlement with treasuries) (Statement -II)**

Para 22.3.1 of C.P.W.A. Code provides that soon after the expiry of the month, a monthly settlement should be effected with all treasuries in respect of the transactions of the entire division with them. Para 22.3.2. provides that for payments into treasuries, consolidated receipts should be prepared in **Form 50** for the whole of remittances made to each treasury, which should be sent to the Treasury Officers for signature. Further, para 22.3.3. of the Code provides that for cheques drawn, the pass books, duly completed for the month, should be obtained from the Treasury Officer with certificates of issues from the treasuries and their agreement with the cash book of the division should be effected in Part II of **Form 51**-Schedule of Monthly Settlement with Treasuries, which also gives details of the differences. The certificate of agreement should be recorded in the passbook over the signature of the Divisional Officer without recording any details of the uncashed cheques or other differences.

In a significant number of Divisional Accounts, Form 51 of the previous months was not received along with monthly accounts. Further, most of the divisions did not enclose the **Consolidated Treasury Receipt (C.T.R.)** issued by the Treasury Officer with the accounts. As a result, prescribed checks could not be exercised in the Office of the Accountant General. Non-adherence of codal provisions for settlement of accounts with treasuries and non-transmission of Form 51 with **C.T.R.s** and **Cheques Issued Certificates (C.I.C.)** by the divisions prevents detection of cases, wherever occurring, of frauds/embezzlements and loss of receipt to Government. **Total number of Form 51 outstanding under PWD/Water Resources/PHED/NVDA is 7534 for different years. (Statement-II)**

**Para-3**            **Statement showing amounts held under objection (Statement-III)**

Statement III is nil.

**Para-4**            **Amounts outstanding under III-O.R (b) Items Adjustable by Public Works Department (for Miscellaneous Remittances). (Statement-IV)**

The balance outstanding under Major Head 8782-102-03 ORB at the end of 31.03.2010 is Rs 52,55,53,074.90 viz. Rs.19760002.72 in WRD, Rs. 103064156.00, Rs. 109808070.77 in PH and Rs. 302215630.89 in Public Works Department. Out of this very little amount to the tune of Rs.2 crores has been cleared during 2009-2010 a huge balance of Rs. 319 crores is still outstanding under this head at the end of 31.3.2010 which needs to be cleared at warfooting. The details of the outstanding are shown in Statement-IV

**Para-5**            **Arrears in reconciliation (Statement-V)**

In order to ensure accuracy and reasonability of Accounts, it is essential for the division to reconcile figures of monthly accounts with the figures booked in the books of this office. As a result of repeated requests made to concerned departments, the position of reconciliation has shown remarkable progress which is as under:-

Out of 87 P.W.D. Divisions, all Divisions have completed reconciliation. i.e. **100%**.

Out of 71 P.H.E.D Divisions, all Divisions have completed reconciliation. i.e. **100%**.

Out of 76 N.V.D.A. divisions, all Divisions have completed reconciliation. i.e. **100%**.

And out of 139 W.R.D. Divisions, 102 divisions have completed reconciliation i.e. **73%**. (37 Divisions did not complete). (Statement-V)

**Para-6**      **Defects in the preparation of Monthly Accounts. (Statement-VI)**

The Divisional officers are required to render monthly accounts, complete and correct in all respects, to the Accountant General for incorporation in the State Government's Accounts. However, the accounts received from the Divisional offices in Madhya Pradesh contained a number of deficiencies which are as follows:

- (1) The totals of receipts and expenditure columns in **Form-80** of the Monthly Accounts were not tallied. This resulted in un-avoidable correspondence with the divisions and consequent delay in preparation of Monthly Accounts.
- (2) Debits/credits relating to G.P.F/D.P.F./C.P.F. of subscribers were incorrectly shown in **Form-80**. Divisional Officers also did not submit G.P.F. debits/credits schedules systematically.
- (3) Codification in **Form-80** and **Form-74** should be according to instructions issued by this office, from time to time. In **Form-80** under each Major Head of each Grant computerised code number should be shown. Besides this, in **Form-74**, classification as per computerised code No. should be quoted along with Grant No. Plan/Non Plan/Major Head/Sub. Major Head/Minor Head/Detail Head/Sub. Detail Head as per list of Major Minor Heads of Accounts and Budget estimates.
- (4) Minus figures of expenditure/receipts were shown in **Form-80** of the monthly accounts, without providing any explanations thereof.
- (5) In several cases, **Form-61**-Schedule Docket is not being enclosed with the accounts leading to large scale correspondence and delay .
- (6) In several cases, arithmetical computation of figures in the various Forms appended with the Monthly Accounts were not checked properly and as a result the totals differed, thereby affecting the progress of preparation of Monthly Accounts.
- (7) In the schedules of Works expenditure (**Form-64**), the budget allocation of the current year and the amount of sanctioned estimates were not mentioned. This indicated that Divisions did not exercise control over their expenditure vis-à-vis the budget provisions.
- (8) In some cases Closing Balance of last month were not shown as Opening Balance in current month, which creates problems at the time of posting of Monthly Accounts. In any case closing balance of last month should not be tempered with and it should invariably be shown as opening balance.
- (9) While preparing accounts, the Divisions did not pay adequate attention to budget allocations. There were mistakes in classifying the receipts/expenditure of the Union of India and the State Government.
- (10) The classifications (shown in **Form-74**) of the accounts by various Works Divisions were incomplete and incorrect. The classification of expenditure should give the Grant Number, Major Head, Sub-Major Head, Minor Head and detailed head of accounts as shown in the budget passed by the Legislature. In many cases, primary unit of appropriation was not indicated.
- (11) In some cases, vouchers are not received in this office along with Monthly account, which leads to delay and large scale correspondence with the Divisions.

**Part-II (AUDIT WING)**

### Central Audit

Common type of irregularities noticed in Central Audit. Irregularities like excess/irregular payments i.e. irregular purchase, excess over deposits, extra cost, misuse of drawing powers non-deduction of commercial tax, incorrect classification involving Rs.322488 lakh as detailed in Statement –III came to notice in Central Audit which were intimated to concerned Divisions through audit notes

### Omissions/shortcomings noticed in the maintenance of account records by the Public Works Divisions

#### **1. Non-adjustment of AG's adjustment of memos.**

The payments to suppliers for procurement of stores on D.G.S&D rates contract are made by the Pay & Accounts Officer, Department of Supply, Government of India, and debits are passed on to the respective indenting officers through the Accountant General. These debits are required to be adjusted immediately in the divisional accounts. This system has since been dispensed with and no transactions are booked in PAO (Supply). During a test-check of **287** divisions, it was observed that timely adjustment of AG's adjustment memos was not carried out by the divisions prior to change in system, resulting in heavy accumulation of **7535** items of unadjusted amount aggregating to **Rs.8597.03 lakhs** as on 31.3.2010 on the previous system for which Audit commented. Details are shown below:-

<b>Division</b>	<b>No. of Division</b>	<b>A.G.Adj. Memo</b>

Annexure-A

#### **2. Irregular operation of Cash Settlement Suspense Account.(C.S.S.A.)**

The Government of M.P., Finance Department has dispensed with the credit system and introduced the cash and carry system from May 1984 to avoid delay in settlement of Cash Settlement Suspense Account (C.S.S.A.) According to this system, the cost of material supplied by one division to another division was to be recovered in advance. But it was noticed during local audit that disregarding the above provisions, large number of divisions supplied store materials to other divisions without realising the value of goods supplied.

During test-check of accounts, records of divisions originating items **5199.23** nos. and responding items **3619** nos. involving **Rs.5920.59 lakh** and **Rs. 3322.83 lakh** respectively as detailed were found outstanding under this suspense head. No concrete efforts have been made by these units for their adjustment. Details are shown below:-

Division	CSSA Originating		CSSA Responding		
	Items	Amount	Items	Amount	
PHED	641	910.97	378	476.76	
PWD	1565.23	1275.37	1101	788.58	Annexure-B
WRD/NVDA	2993	3734.25	2140	2057.49	
<b>Total</b>	<b>5199.23</b>	<b>5920.59</b>	<b>3619</b>	<b>3322.83</b>	

### 3. Non-adjustment of Misc. Public Works Advances

The balances under the suspense head **M.P.W.A.D.** represent the expenditure incurred on deposit works in excess of deposits, loss of cash and stores, advances and dues awaiting recovery from Government servants, contractors, etc. Items under this head are to be cleared either by actual recovery or by transfer to some other heads of accounts under proper sanction or authority. Non-adjustment or non-recovery of these balances over a long period results in unnecessary accumulation under the suspense head and dues becoming irrecoverable. Test-check of 294 divisions reveals that the outstanding balances were of **Rs.24171.55 lakhs** for **29373** items at the end of **2009-2010**. Details are shown below:-

Division	PW Adv.		
	Items	Amount	
PHED	7302	6638.09	
PWD	10800	8790.06	Annexure-C
WRD/NVDA	11271	8743.40	
<b>Total</b>	<b>29373</b>	<b>24171.55</b>	

### 4. Non- submission of Form- 51 and non-reconciliation of differences in departmental and Treasury figures of drawals and remittances.

There was persistent delay in submission of **Form-51** schedule of monthly settlement with treasuries. During test-check of **287** divisions, it was noticed that in most of the cases **Form-51** was not prepared and sent.

Details are shown below:-

Division	Form 51		
	Remittances	Cheques	
PHED	4830.81	2587.97	Annexure-D

PWD	10332.89	11946.40
WRD/NVDA	9607.544	8384.61
<b>Total</b>	<b>24771.244</b>	<b>22918.98</b>

As a rule, there should be no difference in Treasury and Divisional Accounts figures and if it occurs, it should be set right immediately by correspondence with the treasury concerned. It was however, observed that no substantial action was taken by the Divisions in this regard. As a result, the differences persisted between Divisional Accounts figures and Treasury Accounts figures as per details shown above.

Divisional Officers should take immediate action to reconcile the figures and to settle the differences with the concerned treasuries.

#### **5. Maintenance of contractor's ledger**

The contractor's ledger is to be posted and balanced up to-date to ascertain the liabilities of contractors. However the ledgers were not being posted and balanced up to date by most of the Divisions. Only 211 divisions had posted the Contractor's Ledger during **2009-2010.(Annexure-E)**

#### **Statement –II (Audit Wing)**

Details of audit notes and Inspection Reports were pending as shown below:-

<b>Department</b>	<b>No. of Audit Notes issued during 2009-10</b>	<b>Amount (Rs. In lakh)</b>
Public Works Department/National Highways	58	506.72
Public Health Engineering Deptt.	7	28.78
Water Resources Department/NVDA	9	276.95
<b>Total</b>	<b>74</b>	<b>812.45</b>

#### **Inspection reports not replied by the division**

In most of the cases, replies from the departments have not been received with in stipulated time. During test check it was seen that, even first reply in respect of inspection reports were not received.

#### **(A) Local Audit**

During the year 2009-2010, the major deficiencies amounting to **Rs. 2,61,270.97** lakhs (of 265 out of 425 Inspection Reports) were noticed during local audit in the departments of Public Works, Water Resources, Public Health Engineering and Narmada Valley Development Authority (N.V.D.A.). The details of deficiencies are summarized and given below:-
