

**ANNUAL REVIEW ON THE WORKING OF DIVISIONS OF DEPARTMENTS OF PUBLIC WORKS/WATER RESOURCES/PUBLIC HEALTH ENGINEERING/NVDA FOR THE YEAR 2004-2005**

**Introductory:-**

The present review covers the working of Works Divisions in the departments of Public Works, Water Resources, Public Health Engineering and NVDA in Madhya Pradesh. The purpose of this review is to bring attention on the persistent and common irregularities in maintenance of initial accounts and other types of financial irregularities noticed in central audit during the year 2004-2005. The irregularities, omissions and defects included in this review are only illustrative. The review covers a total of 377 Divisions, existing on March 2005. The department-wise break-up of divisions are as follows:

Public Works Department	97 divisions
Water Resources Department	138 divisions
Public Health Engineering Department	64 divisions
N.V.D.A.	78 divisions
<b>Total</b>	<b>377 divisions</b>

This review has been prepared in two parts:

**Part 1-** This contains the deficiencies/irregularities noticed during the course of preliminary checking and compilation of monthly accounts received from the Works Divisions in Bhopal Branch Office of the Accountant General (A&E)-I, M.P., Gwalior.

**Part-II:** - This contains the financial irregularities and defects in maintenance of initial accounts noticed during the course of central audit and local audits carried out by field parties of the Office of the Accountant General (Audit)-II, M.P. Bhopal.

**PART-I (ACCOUNTS)**

**Para-I Delay in submission of Monthly Accounts.**

Under the provisions of Para 22.4.15 of C.P.W.A. code, monthly accounts should reach in the office of the Accountant General (A&E)-I, M.P., Bhopal by the 10<sup>th</sup> of the following month. In the case of accounts for the month of March, 3 days' extension has been allowed. The accounts should be supported, inter-alia, with schedule of revenue realised, refunds of revenue, receipts and recoveries on capital account, in Form 46 A, Classified Abstract of Expenditure in Form-74, Schedules of Works Expenditure, Form 64, and other relevant schedules, forms and vouchers.

During the year, a large number of works divisions did not adhere to the prescribed due date of submission of monthly compiled accounts. The delay in receipt of the accounts adversely affected the time schedule for compilation and submission of monthly accounts to State Government, since accounts received after the due dates had to be excluded from the relevant accounts. Following table gives the details of accounts excluded in various months: -

Month of account	No. of divisional accounts excluded
April 2005	Nil

May 2005	2
June 2005	2
July 2005	1
August 2005	1
September 2005	3
October 2005	5
November 2005	3
December 2005	2
January 2005	3
February 2005	31
March 2005	Nil

Details showing the delay in receipt of Monthly Accounts, and vouchers are given in Statement-I. Schedules not received with monthly accounts from Divisions are included in Statement II(i) to II(iv).

Para-2 Delay in settlement of remittance transactions and submission of Form 51 (Schedule of settlement with treasuries)

Para 22.3.1 of C.P.W.A. Code provides that soon after the expiry of the month, a monthly settlement should be effected with all treasuries in respect of the transactions of the entire division with them. Para 22.3.2. provides that for payments into treasuries, consolidated receipts should be prepared in Form 50 for the whole of remittances made to each treasury, which should be sent to the Treasury Officers for signature. Further, para 22.3.3. of the Code provides that for cheques drawn, the pass books, duly completed for the month, should be obtained from the Treasury Officer with certificates of issues from the treasuries and their agreement with the cash book of the division should be effected in Part II of Form 51-Schedule of Monthly Settlement with Treasuries, which also gives details of the differences. The certificate of agreement should be recorded in the passbook over the signature of the Divisional Officer without recording any details of the uncashed cheques or other differences.

In case of a significant number of divisional accounts, Form 51 of the previous months were not received along with monthly accounts. Further, most of the divisions did not enclose the Consolidated Treasury Receipt issued by the Treasury Officer with the accounts. As a result, prescribed checks could not be exercised in the Office of the Accountant General. **Non-adherence of codal provisions for settlement of accounts with treasuries and non-transmission of Form 51 with Consolidated Treasury Receipt and cheques issued Certificates by the divisions prevents detection of cases, wherever occurring, of frauds/embezzlements and loss of receipt to Government. Total number of Form 51 outstanding under PWD/Water Resources/PHED/NVDA is 9460 for different years.**

Para 3 Amounts outstanding under III-O.R (b) Items Adjustable by Public Works Department (for Miscellaneous Remittances).

In spite of regular correspondence with the Works Division a large number of amounts remain outstanding under III O.R. (b) adjustable by Public Works Department. Test-check of 103 divisions by Audit revealed heavy accumulation of 3554 unadjusted items aggregating to Rs.3248.08 lakh up to 31.03.2005.

Para 4 Arrears in reconciliation

In order to ensure accuracy and reasonability of Accounts, it is essential for the division to reconcile figures of monthly accounts with the figures booked in the books of this office. In spite of repeated requests made to concerned departments, the position of reconciliation was as under :-

Out of 98 P.W.D. Divisions, only 67 Divisions completed reconciliation. i.e. 66%.

Out of 64 PHED Divisions, only 56 Divisions completed reconciliation. i.e. 36%.

Out of 143 W.R.Divisions, only 111 Divisions completed reconciliation. i.e. 78%.

Out of 81 NVDA divisions, only 55 Divisions completed reconciliation. i.e. 45%.

98 Accounts of PWD includes 3 accounts closed during the year; 143 Accounts of WRD includes 5 accounts closed during the year; 81 accounts of NVDA includes 3 accounts closed during the year. The remaining 31 divisions of P.W.D., 8 divisions of P.H.E., 32 divisions of Water Resources Department and 26 divisions of NVDA did not carry out reconciliation work completely. A list of these divisions is given in statement No-III (i to iv).

#### **Para 5 Defects in the preparation of Monthly Accounts.**

The Divisional officers are required to render monthly accounts, complete and correct in all respects, to the Accountant General for incorporation in the State Government's Accounts. However, the accounts received from the Divisional offices in Madhya Pradesh contained a number of deficiencies viz.

- (1) The classifications (shown in Form-74) of the accounts by various Works Divisions were incomplete and incorrect. The classification of expenditure should give the Grant Number, Major Head, Sub-Major Head, Minor Head and detailed head of accounts as shown in the budget passed by the Legislature. **None of the Divisions did this scrupulously.** In many cases, even primary unit of appropriation was not indicated.
- (2) The totals of receipts and expenditure columns in Form-80 of the Monthly Accounts were not tallied. This resulted in un-avoidable correspondence with the divisions and consequent delay in preparation of Monthly Accounts.
- (3) Minus figures of expenditure/receipts were shown in Form-80 of the monthly accounts, without providing any explanations thereof.
- (4) In several cases, arithmetical computation of figures in the various Forms appended with the Monthly Accounts were not checked properly and as a result the totals differed, thereby affecting the progress of preparation of Monthly Accounts.
- (5) In the schedules of Works expenditure (Form-64), the budget allocation of the current year and the amount of sanctioned estimates were not mentioned. This indicated that Divisions did not exercise control over their expenditure vis-à-vis the budget provisions.
- (6) In some cases Closing Balance of last month were not shown as Opening Balance in current month, which creates problems at the time of posting of Monthly Accounts. In any case closing balance of last month should not be tempered with and it should invariably be shown as opening balance.
- (7) While preparing accounts, the Divisions did not pay adequate attention to budget allocations. There were mistakes in classifying the receipts/expenditure of the Union of India and the State Government.
- (8) Debits/credits relating to G.P.F/D.P.F./C.P.F. of subscribers were incorrectly shown in Form-80. Divisional Officers also did not submit G.P.F. debits/credits schedules systematically.
- (9) Codification in Form-80 and Form-74 should be according to instructions issued by this office, from time to time. In Form 80 under each Major Head of each Grant computerized code number should be shown. Besides this, in form-74, classification as per computerised code No.should be quoted along with Grant No. Plan/N.P./M.H./Sub.M.H./Minor Head/Detail Head/SubDetail Head as per list of Major Minor Heads of Accounts and Budget estimates.
- (10) In some cases, vouchers are not received in this office along with Monthly account, which creates unnecessary correspondence with the Divisions. Hence, vouchers should be despatched positively along with the monthly account of the Division.

## Part-II (Audit)

### (A) Local Audit

During the year 2004-2005, the major irregularities amounting to Rs.71112.07 lakhs (197 Divisions) were noticed during local audit. The details of irregularities are summarized and given below:-

<u>S.No</u>	<u>Brief Irregularities</u>	<u>Amount</u> (Rs.in lakhs)
1.	Wasteful expenditure due to defective construction planning/survey design	3980.65
2.	Extra cost due to non-observance of terms and conditions excess payment to contractor	4380.87
3.	Sub-standard work.	1705.81
4.	Excess expenditure over LOC/allotment	2638.38
5.	Loss due to non-recovery of cost of material/extraction of material	6868.64

23.	Misc. objections i.e. irregularities in utilization of plant machinery/irregular booking of expenditure from one head to another/Lapsed deposits etc.	1228.64
24.	Infructuous Expenditure	747.76
	<b>TOTAL</b>	<b>71112.07</b>

These irregularities along with other minor irregularities were brought to the notice of the Divisional Officers as well as to the higher authorities for compliance through the Audit Inspection Reports. Test audit notes containing minor irregularities/omissions were also issued to the Divisional officers for early compliance.

### (B) Central Audit

Pending loss cases	105 cases of shortage, theft and losses reported by various Divisions during the year 2004-05 involving loss of Rs.663.13 lakhs were awaiting action for regularization.
Test audit notes	During the year 2004-2005, 81 Test Audit notes issued to Divisions

	by Central audit parties valuing 2769.56 lakhs were pending.

**(C) Omissions/shortcomings noticed in the maintenance of account records by the Public Works Divisions**

**1. Non-adjustment of AG's adjustment of memos.**

The payments to suppliers for procurement of stores on D.G.S&D rates contract are made by the Pay & Accounts Officer, Department of Supply, Government of India, and debits are passed on to the respective indenting officers through the Accountant General. These debits are required to be adjusted immediately in the divisional accounts. This system has since been dispensed with and no transactions are booked in PAO (Supply). During a test-check of 103 divisions, it was observed that timely adjustment of AG's adjustment memos was not carried out by the divisions prior to change in system, resulting in heavy accumulation of 3554 items of unadjusted amount aggregating to Rs.3248.08 lakh as on 31.3.2005 on the previous system for which Audit commented. Details are shown in Annexure – I.

**2. Irregular operation of Cash Settlement Suspense Account.**

The Government of M.P., Finance Department has dispensed with the credit system and introduced the cash and carry system from May 1984 to avoid delay in settlement of Cash Settlement Suspense Account. According to this system, the cost of material supplied by one division to another division was to be recovered in advance. But it was noticed during local audit that disregarding the above provisions, large number of divisions supplied store materials to other divisions without realising the value of goods supplied. A test-check of accounts, records of divisions originating items 1295 nos. and responding items 1163 nos. involving Rs.1901.07 lakh and Rs.878.83 lakh respectively as detailed were found outstanding under this suspense head. No concrete efforts have been made by these units for their adjustment. Details are shown in Annexure-II.

**3. Non-adjustment of Misc. Public Works Advances**

The balances under the suspense head MPWAD represent the expenditure incurred on deposit works in excess of deposits, loss of cash and stores, advances and dues awaiting recovery from Government servants, contractors, etc. Items under this head are to be cleared either by actual recovery or by transfer to some other heads of accounts under proper sanction or authority. Non-adjustment or non-recovery of these balances over a long period results in unnecessary accumulation under the suspense head and dues becoming irrecoverable. Test-check of 103 divisions reveals that the outstanding balances were of Rs.7648.64 lakhs for 12117 items at the end of 2004-2005 Details are shown in Annexure-III.

**4. Non- submission of Form- 51 and non-reconciliation of differences in departmental and Treasury figures of drawals and remittances.**

There was persistent delay in submission of Form-51 schedule of monthly settlement with treasuries. During test-check of 103 divisions, delays ranging from 1 month to 8 years were noticed. Details are shown in Annexure – IV.

As a rule, there should be no difference in treasury and divisional accounts figures and if it occurs, it should be set right immediately by correspondence with the treasury concerned. It was however, observed that no substantial action was taken by the divisions in this regard. As a result, the differences persisted between divisional accounts figures and treasury accounts figures as per details shown in Annexure-IV. Test-check of 103 divisions revealed the position as under: -

<b>Part I</b>	<b>(Remittances)</b>	<b>(+) 3897.67 lakh</b>
		<b>(-) 450.34 lakh</b>
<b>Para II</b>	<b>(Cheques)</b>	<b>(+) 5140.87 lakh</b>
		<b>(-) 774.66 lakh</b>

Divisional officers should take immediate action to reconcile the figures and to settle the differences with the concerned treasuries.

#### **5. Maintenance of contractor's ledger**

The contractor's ledger is to be posted and balanced up to-date to ascertain the liabilities of contractors. However the ledgers were not being posted and balanced up to date only 14 out of 103 divisions test-checked during 2004-2005 have posted contractors ledger. Details shown in Annexure – V.

#### **6. Priced stores Ledger**

The Priced Stores ledger is required to be maintained in Form-12 in accounts branch of the divisions as per provisions of Para 7.2.31 of C.P.W.A. Code. Test-check of maintenance of Form-12 in 103 divisions reveals that only 39 divisions completed the Form-12 up to March 2005 while 19 divisions have not completed and 45 divisions have not maintained. Details are given in Annexure-V.
